# CHURCH PLANTING

Reflecting back over the past year in the BCNY, we have seen the Lord moving in our region in many exciting ways. We began the year seeking the Lord and engaging in a focused prayer effort for our church planters and church planting across the region. From this renewed commitment to prayer, we are seeing the Lord answer as new church planters are engaging new peoples and places across our region. We are also seeing existing churches take their next steps as new sending and supporting churches. Because of this collaboration, new communities are being engaged with the gospel and new churches are being planted. This year we have seen these new churches being established in many different contexts across our region. These churches are reaching people of all ages from various language groups in both urban and rural areas focused on the unique and diverse peoples that the Lord has placed in our region. There have been new churches planted that are engaging Portuguese, Chinese, Filipino, Arabic, Bengali, Spanish, and English speaking peoples, just to name a few. There are many opportunities for the gospel among the unique and diverse peoples that call our region home. We desire that all of these people have access to a local church that would engage them effectively with the gospel. Churches plant churches, and it is exciting to see our local churches taking ownership across the region to see the gospel spread to every man, woman, and child.

This year we continued quarterly gatherings of church planters and local pastors for encouragement and collaboration. These local gatherings have been impactful as we pray, encourage, and collaborate with church planters and seasoned local pastors from our different regions. These local gatherings have been taking place across the region from NYC Metro, to Albany, to Buffalo.

An emphasis has been placed this past year towards encouraging local churches to take their next intentional steps by engaging church planting through prayer, participation, provision and promotion of church planting efforts. Through these efforts we are happy to report that local churches are taking intentional steps forward in assisting in the training, coaching, partnership and care of these new local church planters and their families, as well as in leadership multiplication.

There are numerous existing churches that are currently multiplying and planting new churches across the region. We are excited to see churches discover, develop and deploy new church planters and teams to engage new areas with the gospel. This year there are at least ten ingenious BCNY churches that have taken this bold step to multiply themselves and send out a new church planting effort. There are numerous other BCNY churches that are pursuing these efforts as we see churches planting churches everywhere for everyone.

We have much to be thankful for as we are seeing the Lord answer our prayers as local churches take their next steps in the church planting efforts across the region and engage their local communities with the gospel.

# Retirement & Protection Benefits for Pastors & Church Staff

Did you know BCNY pastors and ministerial staff members who have a retirement account through GuideStone could be eligible to receive an annual retirement benefit of up to \$210? It is the desire of the BCNY to invest in pastors who are key leaders in fulfilling the Great Commission through their local churches.

## GUIDESTONE® AND BCNY OFFER FINANCIAL BENEFITS TOGETHER

This retirement benefit is in addition to the other two benefits provided by BCNY through its relationship with GuideStone®. GuideStone has provided financial services to churches, ministries, and institutions in the SBC for over 100 years. To encourage pastors to invest in their retirement, BCNY and GuideStone provide the following benefits to pastors who contribute to retirement through GuideStone:

Disability Income Benefit

Survivor Protection Benefit

## ARE YOU ELIGIBLE?

Any BCNY pastor or ministerial staff member serving a local church in good standing with BCNY in one of the following four positions is eligible to receive the GuideStone benefits: Pastor, Associate Pastor, Mission Pastor, and Director of Mission. Secondly, you or your church must contribute a minimum of \$50 per month to your retirement plan through GuideStone. If you are a BCNY pastor and do not have a GuideStone account yet, you can join today to take advantage of many GuideStone benefits provided through BCNY.

## HOW TO GET STARTED?

If you meet the two eligibility requirements listed above, you have been automatically enrolled in these benefits. The State Convention Benefits for SBC Churches (the link below) has more information about these three financial benefits through our relationship with GuideStone.

If you have not set up your retirement account with GuideStone, the first step is to [set up your GuideStone retirement account](#). For any questions, contact the BCNY account representative, [Hoon Im](#).

## Report of Ministry Solutions Priority Team 2023

### Purpose

The purpose for the BCNY, as presented in its constitution, is to “furnish a means by which its cooperating churches can work together”.

Towards that end, the Ministry Solutions Team purposes to provide a platform where Network leaders and organizations can share knowledge, experience, and resources toward carrying out Christ’s Great Commission.

### Activities

This last ministry year has been one of clarifying our vision and establishing working communications within the various ministries and organizations within the BCNY:

Web Portal – Building off of the existing BCNY website, member organization can now request resources and offer assistance online. Of course, telephone calls and direct email to the BCNY office will also initiate the conversations which will also result in collaboration and provision of necessary resources.

Listening In – By participating in meetings and strategy sessions with BCNY and the member associations we are learning to anticipate upcoming activities and the needs for resources to accomplish those activities.

Broadcasting – This last year saw many important teaching and equipping seminars and training events. For the upcoming year we hope to be able to use existing technology that would allow other associations and churches to join in from their own location, also benefiting from these sessions.

### What Can You Do?

Communicate. Let us know your ministry needs, and the resources you might be willing to share. Annual church profiles (ACP) as well as up to date addresses, phone numbers and email addresses help us to stay in contact while understanding the health and activities of your respective ministries.

Cooperate. Ultimately the network is only as strong as the participating members. Consistent CP Missions giving, no matter the amount, keeps the network up and running and the ministry of the gospel moving forward. Drive-in mission trips help partner churches to better reach their communities and represent the Kingdom.

Dream Big. What would you do if you only had the resources? What skills and ideas would help you to better reach your community? Dream God-sized dreams, share the vision, and allow your partners in Christ to help you realize that dream.

Humbly submitted in His Name,

BCNY Ministry Solutions Team

# BCNY Evangelism

The BCNY Evangelism Team is made up of pastors and leaders from our Convention with the task of helping churches and associations prioritize evangelism and equip them for effective evangelism in their context.

The team developed a simple process to aid churches and associations in their evangelism planning called Requests To Results (R2R). The process encourages churches and associations to think through all that is involved in evangelism including prayer, training, resources, evangelistic events and follow through. Requests are submitted through the BCNY website and the team considers each of them at their monthly on-line meetings

[www.bcnysbc.org/req2results](http://www.bcnysbc.org/req2results)

For January through July 2023, the team has provided financial support for over 40 evangelistic projects such as outreach at the World University Games in upstate New York, evangelism training, local church community outreach, association evangelism conferences and youth retreat. The total amount of financial support provided through BCNY Evangelism was **\$36,700.00**.

The Evangelism Team also wants to provide evangelism conferences and training for our churches. This year we are hosting our first one on September 22. We have invited special guests to help our church leaders examine evangelism post Covid and new evangelism resources for churches developed by the North American Mission Board.

Speaking of our mission partner, the North American Mission Board, is supportive of our evangelism efforts and strategy. Our team and our Executive Director maintain communication with them throughout the year.

Looking ahead, the Evangelism Team will continue to promote R2R throughout our Convention. We are also looking for ways to sponsor additional training for our churches, and to integrate our work with other BCNY Teams.

On behalf of all the members of the BCNY Evangelism Team, thank you for the privilege to serve you.

Respectfully submitted,

George T. Russ

Pastor Steve Berrios of Crossroads Church writes, "We value loving our God and serving our community. It was a pleasure serving our community through soccer, baseball, music and art. We find it important to not just be a church in the community BUT to be a church FOR the community."

# FRONTIER BAPTIST ASSOCIATION

2023

Frontier Baptist Association had a focus in 2023 of “Engage 716” and at our October 2022 annual meeting at High Point Community Church, Dr. Chuck Jennings shared the impact of Evangelism and how churches can move forward in 2023. In January, Dr. Larry Moyer from EvanTell ministries led a workshop on Pastoral Leadership at Ridgewood Bible Church in Lockport, NY. He shared many reasons why people do not share their faith. He shared a simple and clear approach in sharing your faith. In the two days of Evangelism training there were 37 professions of faith at Ridgewood Bible Church.

In March we offered a conference called Simeon Trust, which was geared towards assisting pastors in sermon preparation. This was an encouragement to pastors to work alongside likeminded pastors who wanted to honor God in their preaching. There were 12 pastors from Frontier Baptist Association in this training.

I am also happy to share that in May we had a Mission Celebration time during our Mid-Year meeting. Rev. Bill Smith from North Buffalo Community Church led a group from North Buffalo Community Church with a group from the Finger Lakes Association under the leadership of Steve Charles to help an IMB missionary in Mississauga, Canada ministering in the Islamic community. We in Frontier Baptist Association are working on starting a mission/church on the Eastside of Buffalo in the next year.

We had several events this year. This Iglesia Bautista Church of Dunkirk celebrated their 40<sup>th</sup> year, FBA Vacation Bible School Clinic, Pastor/Wives Retreat, Sunday School with Burmese children and a visit with a potential church planter with the Bangladesh community. We also continued with our Weekly Pastor Prayer Zoom meeting every Wednesday morning.

On a more somber note three churches have stopped meeting. They are Renewal Church in North Tonawanda, NY, Calvary Vietnamese Church, Buffalo, NY and Renovation Church, Jamestown, NY. We are actively exploring through prayer what to do with these church ministries in the future.

We go forward with a renewed focus on Prayer and Evangelism in our churches and communities with the purpose to reach other for Christ. I pray with great anticipation waiting and watching for God to move this next year in Frontier Baptist Association.

## Executive Director Report

### **MAKE A WHOLE LOT of JESUS!**

I remember the first moment that I was convicted by the Holy Spirit that I was a sinner. I remember the hours long struggle to understand that since I was a “convicted sinner” I needed a Savior to redeem me of my sin. I remember the joy of the salvation that I received by grace through faith in the Lord Jesus Christ. . I remember some of the dreams & visions that so quickly came to help me understand that I was being called to serve in the Lord’s Army!

As I look back on the early days of my walk with our Lord, I was compelled TO MAKE A WHOLE LOT OF JESUS! I hope that each remaining day of the life I have on this earth will be used by the Holy Spirit TO MAKE A WHOLE LOT OF JESUS!

In this annual report to the messengers of the Baptist Convention of New York on September 23, 2023 take note of my attempt to combine my report with info on the actions of the Executive Board. In all that we do, allow me to encourage each of you TO MAKE A WHOLE LOT OF JESUS! First and foremost we are Followers of Jesus!

In his book *BROTHERS, WE ARE NOT PROFESSIONALS*, John Piper issued a plea for radical ministry. He quoted E.M. Bounds as saying “The preacher...is not a professional man; his ministry is not a profession; it is a divine institution, a divine devotion.”

Piper made these and other notable statements on pages 1-4:

\*Pastors are being killed by the professionalizing of the pastoral ministry.

\*Professionalism has nothing to do with the essence and heart of the Christian ministry. The more professional we long to be, the more spiritual death we will leave in our wake.

\*Our first business is to pant after God in prayer. Our business is to weep over our sins (James 4:9).

Let’s stop being so concerned with professionalism and MAKE A WHOLE LOT OF JESUS!

Highlights of MAKING A WHOLE LOT OF JESUS during the 2022-23 BCNY Year are most easily found in our 500+ churches.

HOPEFULLY EACH CHURCH IS MAKING A WHOLE LOT OF JESUS!

Associations directly relate to the churches in cooperative fellowship with them. In Leadership Team and Executive Board Meetings Association Leaders consistently shared both the stories and results of cooperating churches MAKING A LOT ABOUT JESUS!

The Executive Board met December 22, 2022, March 7, 2023, June 6, 2023 and August 22, 2023. Collection and tabulation of the Annual Church Profile from each cooperating church along with the provision of a Right Now Media subscription for each church that submits the ACP info. Be aware that in 2021 associations were eligible to receive 10% of the Cooperative Program contributions giving to BCNY by their churches January- October. In 2022 Associations were eligible to receive 5% of the Cooperative Program contributions of their cooperating churches for that same time period. The EB received regular updates and reports regarding the work & ministry of BCNY. The most thorough Annual Review of the Executive Director/Treasurer was guided by the Executive Team and included the entire Executive Board.

## Executive Director's Report cont'd

Reports regarding the status of legal matters were provided including the jubilant news that BCNY has been removed by all parties from any further deliberations.

Implementation of the previously developed and initiated strategy plan is steadily continuing. Thanks to the service of paid staff, contract workers, executive board members and volunteers, good progress is being made.

Current Cicero based staff:

Catherine Meyer Administrator/Women's Ministry Team Leader

Beth McMahon Administrative Assistant

Contract Workers:

Each BCNY Priority Team focuses on the advancement of those churches.

\*We must do more to revitalize existing churches and to start new churches.

\*Every church must be an evangelizing church!

\*We must work together to discover ministry solutions within the churches.

The Priority Teams are intended to help churches and associations ***MAKE A WHOLE LOT OF JESUS.***

### ***TO MAKE A WHOLE LOT OF JESUS***

The Executive Team (5 persons) consists of the four BCNY Officers and one key leader from a prior year.

The Leadership Team (23 persons) includes the Executive Director/Treasurer, the President, the Recording Secretary, each of the 10 Association Leaders and one Executive Board member from each Association. Each of these is a member of the Executive Board.

The Management Team (21 persons) includes the Executive Director/Treasurer, the Vice President, the Assistant Recording Secretary and all other Executive Board members.

The combined efforts of these 44 people are becoming increasingly productive!

## BCNY Disaster Relief

By Michael D Flannery/ Director

Some of you may have heard about the major summer storm in the Northeast on July 11-12, 2023, but did you know that Orange County New York was one of the major areas affected by this storm? New Windsor, NY was part of that county that was hit hard by flooding. Approximately 1800 homes were flooded. We were contacted by Orange County Emergency Management, and they requested us to assist in flood recovery efforts being done in their area. We were able to set up our Incident Management Office in Ridgecrest Baptist Church of New Windsor, NY where Pastor Gale Dingwell serves. Partnering with Ridgecrest Baptist was one of our best experiences yet. The church allowed us to use rooms for sleeping quarters, the sanctuary for sleeping, the kitchen for cooking for SBC Volunteers and a classroom for our Incident Management Office. We had Teams from Alabama, Ohio, Michigan and BCNY Territory. We also worked with Kurt Hahn who is the Orange County Emergency Management Director. There were several opportunities to share the Love of Jesus and there was one person who prayed to accept Jesus as Savior. We made 375 contacts, completed 36 recovery jobs, served from July 19-August 3, 2023, and showed Jesus love to those in Orange County, NY.

I want to commend Rev. Gale Dingwell and the congregation of Ridgecrest Baptist Church for all their support during this Flood Recovery Call-out. They showed truly James 1:22 with their can-do spirit of flexibility and Christian hospitality. Thank you all again.

In 2023, we held two DR Trainings. They were High Point Community Church in Corfu, NY and the other at Open Arms Church in Rotterdam, NY where we had 30 people trained and 6 recertifications this year. We also had a special one day call out for chain-saw work at Renewal Church in North Tonawanda, NY where Mark Banks and Matt Evans took part in this location.

On May 20, 2023, we held a Disaster Relief Convocation which was held at BCNY offices in Cicero, NY. We had Disaster Relief volunteers from across the BCNY territory in attendance. We were able to discuss where we are today and where we need to go in the future. We are working on special dates on the calendar for Disaster Relief events at different churches across the BCNY Territory. We also talked about student deployment on weekends and quick response in recovery, feeding and chainsaw. **If you would like to have a Disaster Relief Training at your church, please contact Michael Flannery, 716-432-5333 or Mark Banks. 716-983-7177** to schedule a date.

This past week on September 16, 2023, Tompkins County held their 2<sup>nd</sup> Annual Emergency Preparedness and Safety Fair, in Ithaca, NY at the Shops at Ithaca Mall. We were asked to participate again this year what Southern Baptist Disaster Relief does in the time of a disaster. Lary and Linda Hyde, represented BCNY Disaster Relief at this event.

In closing, we want to remember all those that were affected by the fires in Maui, Hawaii. As we pray for those who lost loved ones and suffered great loss of lives and personal belongings, you may give directly to BCNY at [www.bcnybc.org](http://www.bcnybc.org) specifying Maui Disaster Relief or go to the send relief network- [www.sendrelief.org](http://www.sendrelief.org) to donate. Thank you for your continued support and prayers as we serve in Disaster Relief Missions.

# BCNY Women's Network

*Catherine Meyer, Team Leader*

## **PURPOSE OF BCNY WOMEN'S Network**

BCNY's *Women's network* seeks to encourage women and to create a pathway of connection among women throughout the BCNY territory. A network of women in their local churches reaching the lost in their areas of influence by equipping them for intentional evangelism. We strive to inspire women's leaders to share missional discipleship pathways and to look beyond the church walls to participate in community missions and outreach opportunities. This network seeks to nurture spiritual growth by providing women's resources. Believing that the local church is ground zero for advancing the Great Commission, we partner with churches, associations, State Conventions and National agencies equipping women and providing resources, training and to offer evangelism and mission events.

## **BCNY Women's LeadHERship Team**

The BCNY Women's Leadership is a collaborative effort to serve the churches in the Baptist Convention of New York Territory.

The team members have been provided training and equipping essentials over the last five plus years in order to meet the challenges we faced in the necessary work in this area of ministry. Women from various associations have been resourced, trained, and coached to meet the demands of the Convention's four priority areas: Evangelism, Church Planting, Church Revitalization and Leadership Solutions. We are prepared and dedicated to serve at any level of need.

In May we held a women's retreat called ReFresHER at Lakeshore Baptist Church, Cicero New York. Women from all around the BCNY Territory gathered for a two day Conference where they attended workshops and heard the Word from bible teacher Courtney Veasey. Over 100 women were gathered!

**Thank you for your support of the Cooperative Program, Annie Armstrong Easter Offering, Lottie Moon Christmas Offering, and Disaster Relief Offering.**

We encourage a mission's lifestyle: Lottie Moon 2022, and Annie Armstrong 2023. Lottie Moon Christmas Offering and Annie Armstrong Easter Offering materials are dispersed to the churches three weeks before the actual week of prayer. Several avenues for encouragement in giving to missions were employed using the media program "Constant Contact", and posts on social networks including videos and inspiration for the week of prayer offerings.

## Woman Living a Missional Lifestyle—January 2023 Board Meeting

The annual WMU board meeting took place on January 7<sup>th</sup> and 8<sup>th</sup> of 2023. The state presidents and executive directors from all states gathered at the WMU headquarters in Birmingham, Alabama. For some of us, it was the first time.

It was wonderful to meet the entire team and the leadership. We were given a tour of the headquarters and were able to see historical artifacts and correspondence from missionaries in the past. There was also a wonderful exhibit of missions around the world for showcasing this year's monthly mission's curriculum and great instructive workshops.

We also heard inspiring testimonies from IMB and NAMB missionaries. It was great to be there with the other sisters and to learn from them and their experience.

## WMU Annual Meeting and Acteens

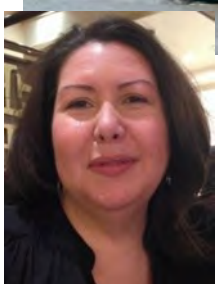

In June we met again during the SBC convention in New Orleans. And this was the first time in many years that one of the five National Acteens was from the state of New York. Her name is Leslie Almonte. Praise the Lord for this young lady.

On Sunday we worshipped at the Franklin Avenue Baptist Church. We toured the New Orleans Baptist Theological Seminary (NOBST) and heard an exhortation from retired New Orleans missionary Kay Bennett. It was a tremendous experience to see all the Acteens on stage. They were each paired with an older WMU leader, and both gave testimonies.

Our Leslie Almonte gave a compelling testimony and represented us extremely well. We are amazed at how the Lord is using her.

In addition, on Monday, some of us were able to visit the Port Ministry site and hear directly from the missionaries how they are spreading the gospel by helping all the seamen that come through their doors.

Our meeting was held on a river boat, and it was a fantastic experience to be in the great Mississippi River with all my WMU sisters in the Lord.

## 2023 Girls Camp @ Farmington Conference Center Farmington, Maine

New York WMU joins Farmington Conference Center, Maine teaching girls how to live a missional lifestyle!

Our own NY 2023 National Acteens Panelist Leslie Almonte (bottom row 2<sup>nd</sup> from left to right) was among the staff of the Girls Camp. Also, from our area Photographer Kathy Archbold (bottom row 1<sup>st</sup> left to right), and Casandra Matos staff (bottom row 3<sup>rd</sup> from left to right).

Ann Lawrence, Conference Center Director makes sure they have a well-balanced program. This is an exceptional camp facility that encourages the girls to encounter Jesus while still providing them plenty of cooperative learning activities. Daily activities included: devotionals, bible studies, missions' discipleship, crafts, music, sign language, baking, sports, and many recreational activities making it a week full of fun and fellowship for all.

The days were filled with laughter and learning. Both former imb and namb missionaries were engaging as they taught about missions and the love of Christ shared in the mission field. At closing parents participated in the award's ceremony and special presentations. The girls said their goodbyes looking forward to coming back next year.

## 2023 Boys Camp @ Farmington Conference Center Farmington, Maine

The Boy's Camp is an example of a balanced and well-planned camp for boys ages 9-17. It's an opportunity to learn about Jesus and to be surrounded and learning everyday skills from godly men. This event is designed and carried out by men for boys. The Boys Camp director Tyler Ray in collaboration with Ann Lawrence, director of the Conference Center are dedicated to meet the needs of the weeklong campers.

**The top six reasons why the ACP forms are so important!  
October 1, 2022 through September 30, 2023 or any previous 12-month period.**

1. Churches and pastors can use this data to review the history of the church as well as current and past trends.
2. The Annual Church Profile statistical data will be used to determine the number of messengers to be sent to the annual meetings.
3. BCNY uses the ACP information to help effectively plan events, prepare resources, allocate ministry funds, and evaluate needs.
4. Trustee-appointed positions in SBC Life on a national level are determined with ACP data.
5. When your church needs to confirm Tax Exempt status, your ACP and giving to the Cooperative Program will be checked before confirming Tax Exempt Status with the SBC.
6. The annual church profile establishes annual accountability.

# rightnow MEDIA

## What is RightNow Media? (The World's Largest Library of Bible Study Video Resources)

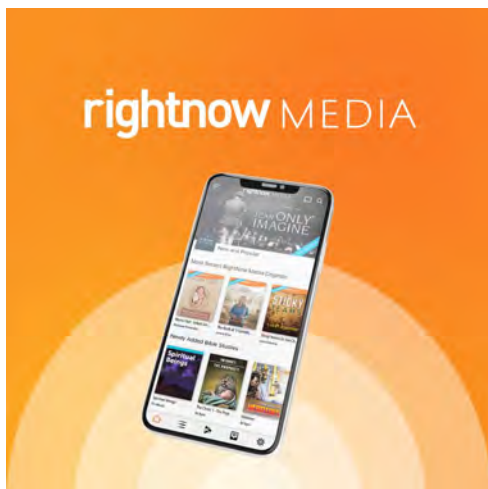

Right Now media is a streaming library of more than 20,000 Bible study videos for leaders to share with their people. The Baptist Convention of New York has a one year subscription for the **Senior Pastor** of your church. This is a great resource for your Pastor and because you are in partnership with the Baptist Convention of New York, if your church decides to purchase their own subscription, the church will get a discounted rate. This would be available to all members of the church. Regardless if the church meets the two criteria below, your Senior Pastor can get access to this resource.

There are two things you need to do:

- Give to the Cooperative Program
- Submit your 2023 Annual Church Profile

If you do not receive an invitation to Right Now Media in your email, contact [cmeyer@bcnysbc.org](mailto:cmeyer@bcnysbc.org).
