

Friday - 2:30PM -3:30 PM *Pre-Conference Workshops*

Breakout Workshops

Let's have an open discussion!

Romans 12:2 "be transformed by the renewal of your mind." How? Philippians 4:8 "what ever is true, what ever is noble, what ever is right, what ever is pure, what ever is lovely, what ever is admirable-If anything is excellent or praiseworthy-think about such things." That's easier said than done. Let's get real and chat about how to practically be transformed by the renewal of our minds. *Led by Tiffany Preve*

Talk That Transforms:

Are you getting tired of not being able to communicate in a way that honors the Lord? Does God's word even give us instruction in this area? Be encouraged as we take a look at the book of Ephesians to give us hope and practical help with the way we communicate with others. *Led by Stacie Gibson*

Radical: Women Reaching Women

Come and hear about a radical encounter with Christ after converting to islam and living as a muslim woman for eight years in the middle east. Be encouraged as she teaches on her life changing experience with the Lord and how He is using her to equip the church to evangelize right where He placed you for such a time as this. *Led by K.C.*

Multiplying the "urgency for the gospel"

How can we share with others the urgency of the gospel? Join us as we explore the possibilities for the "church" to be proactive and practical. Discover the resources available for any size congregation to engage others in missions. Let's collaborate and explore for the sake of the Kingdom and our loved ones. *Led by Sheilla Ina Rios*

God calls

As sisters in Christ journeying through life, we know God calls us. Whether wonderful or difficult, the scriptures can help us to answer the call well. Let's dig into a passage in the book of 1 Samuel to be encouraged and better equipped for a refreshed outlook. *Led by Melissa Mills*

Friday 3:45PM – 4:45 PM *Pre-Conference Workshops & Special Ministry Wives Gathering*
